

PortX Transaction Results Report

2025-03-13

What is this report?

This report lists all the sold actions performed by PortX Pro since the beginning, along with the returns gained from these transactions.

What information can you find in this report?

For each sold stock, you'll find the stock name, transaction date, buy and sell prices, and the profit or percentage change. Monthly comparisons between SP500 and PortX Pro, as well as YTD, MAX, 6M, and 1M returns, are also included.

How can you use the information in this report?

You can analyze PortX Pro's past performance to assess its reliability and support your investment decisions.

Why do we generate this report?

This report is created to transparently showcase the total returns achieved by PortX Pro and to compare PortX's performance with SP500.

Metric	PortX Pro	S&P500
MAX	440.41%	49.20%
